Ray Aznavoorian Passed away on July 16th 2014 He was 93 years of age born 1920. He was in Pearl Harbor on that day we were attacked, Ray survived to tell his stories. He wanted to be buried at sea, we are looking for a navy burial if possible to show respect for his long service to the U.S.A and we could use any help with or from the navy if there may be any help. We look to put his ashes to rest in September . Can anyone guide us to Ray's wishes for a burial at sea with honors ? He would have liked to be honored that way, he loved the Navy and serving on the Des Moines especially--I also have a copy of his book from that time on the ship with color photos, I don't know if any
