Phone call from Allen Christian

To Jerry Manriquez

Allen thanked me for including his on our mailing list. He had written to the comment section of the website in November 2015 but had not heard from us.

He was discharged from the Navy in 1952. He served two years on a Navy Air Base. Asked for sea duty and was sent to the Newport News. When the Newport News was relieved by the Des Moines as flagship of the sixth fleet, he transferred to the Des Moines. He was on the deck force and became a Quartermaster Striker. He was transferred to the Macon for a couple of months before his discharge.

He was in the construction equipment business in Garden Grove, CA before selling it to go into the building business; apartments, houses and business offices.
