Robbie wrote to the USS Des Moines Reunion Association and said he was 19 years old and was building the USS Des Moines with LEGO Blocks. He said he would share photos of his work. His Model is 1:116 scale and is 6 feet 5 inches long. He tried to get as many details as he could but due to budget constraints, he had to skip some of them He said he would like to apologize because he had to make a few creative choices on the model due to size, budget, and brick limits. The bow turrets are remotely controlled

On June 16, 2018 Robbie said he was finished with the model and is taking it to a LEGO show called Brickfiesta in San Antonio, Texas on July 5<sup>th</sup>-8<sup>th</sup>.

The Association sent Robbie a Blue Des Moines Hat with eggs to wear while telling the audience about the Daisy Mae.
