1949 thru 1952

What division did you serve in?

M Engine room # 2

How did you find this Web Site?

A friend

Where are you from?

Brooklyn,N.Y. Past 19 years Deltona Florida

Do you have any comments?

Great site Please keep it going. Now 80 years young and enjoy the Dizzy Dee stories .Our shakedown started with a BIG Bang, when we rammed another ship while making a turn out of Norfolk. The Engine Room Bells were going like wildfire. As you can see i loved my ship and have her as my E- Mail address. Thanks for all the memories. 🤔
