Hi Valerie, Glad you like it; I hope it fits well; we are going to have to get you a Marine Gung Ho cover next; my daughter flies into Paris about once a week on Delta so I'll have her Poste it from Paris; I think it will be a lot quicker; what head size do you have?

I know I can speak for almost all the Marines who served on Sixth Fleet ship's Marine Detachments that they will always cherish the friendliness and kindness that Mamam Germaine showed us especially during the holiday times. She was a "keeper". God Bless Her Soul.

aiment merci beaucoup ! You know how much the USS Des Moines is important to me because she was the last ship my grandmother saw and the sailors were so nice to her as well as Capt. Samuel Moncure.

Have a great week-end!

Warmest wishes,

Valérie

Here is the picture! On the port of Nice this morning.

Tomorrow will be the Naval flower battle in the harbor of Villefranche. Did you ever attend this event in the 50's ?

I will send some pictures.

I will be very honored to wear a Marine Gung Ho cover. I'm going to send you my head size later this afternoon. Merci encore !

Valérie
